If there are three inspectors, the decision or act of a majority shall be effective in all respects as the decision or act of all. Voting Power: Each Lot shall have one (1) vote, except for the election of directors, each Lot shall have one (1) vote for each vacant director position to be elected. Where there are multiple members of a single Lot, they shall decide how to cast their vote among themselves. If votes are cast on behalf of a single Lot, then it shall be conclusively presumed that the vote was cast by an authorized member. If more than one ballot is cast with conflicting votes, such ballots shall be voided.

Cumulative Voting: Cumulative voting shall be permitted for election of more than two directors if the candidate's name has been placed in nomination prior to voting and the member has given notice at the meeting prior to the voting of his intention to cumulate votes.

Qualifications for Voting: All members shall be entitled to receive a ballot. No members' right to vote in elections shall be suspended. Persons with a written general power of attorney for a member shall be entitled to request a ballot on behalf of such member. Only non-members (i.e. tenants, non-record owners, etc.) may be denied a ballot.

Proxies: To the extent proxies are desired to be used by a member, proxies may not be used in lieu of a ballot.

Quorum: A quorum of at least 51% of members is required for elections. Each ballot received by the inspector(s) or its designee shall be treated as a member for purposes of establishing a quorum.

No Write-In Candidates: No candidates other than those listed on the official association ballot or those qualified candidates nominated from the floor may be written in or added onto the ballot.

VOTING PROCEDURES

Distribution of Material at Least 30 Days Before Election: Not less than 30 days prior to the election/deadline for voting, the following shall be mailed by first-class mail or delivered to each member:

- (1) A ballot;
- (2) A copy of these Election Rules. If the Association has a website, notice of the election rules may be provided per *Civil Code* Section 5105 (g)(4)(B)(i).
- (3) Two pre-addressed envelopes with instructions on how to return the ballot.

Voting By Secret Ballot: In order to preserve confidentiality, a voter will not be identified by name or address, or Lot/Parcel/Unit number on the ballot. The ballot itself is not signed by the voter, but is to be inserted into an envelope that is sealed. This envelope is then inserted into a second envelope addressed to the inspector(s) of election (inspector(s)). The voter then seals the outer envelope and in the upper left-hand corner prints and signs his/her name and address which entitles him/her to vote.

Voting Period: Ballots may be mailed or hand-delivered to the location/address specified by the instructions sent by the inspector or its designee. The location for return of ballots shall be the property management company unless a different location is specified. The ballot must be received by the inspectors(s) before the end of the voting period or it will be disregarded. A member may request a receipt upon delivery of a ballot. Once a secret ballot is received by the inspector(s), it shall be irrevocable.

Tabulation of Ballots: The inspector(s) or its designee will count and tabulate all votes in public at a properly noticed open meeting of the members or board of directors. Any candidate or other member of the Association may witness the counting and tabulation of the votes in a manner so as to not violate the intent of preserving the confidentiality of members' votes. No person, including a member of the Association or an employee of the management company, shall open or otherwise review any ballot prior to the time and place at which the ballots are counted and tabulated. The inspector(s) or its designee may verify the member's information and signature on the outer envelope prior to the meeting at which ballots are tabulated.

Reporting Results: The inspector(s) will promptly report the results of the election to the board. The board will record the results in the minutes of the next meeting of the board and make the results available for review by any member at any time after the results are received from the inspector(s). Within 15 days of the election, the board shall give general notice pursuant to *Civil Code* Section 4045 of the tabulated results of the election.

RETENTION AND CUSTODY OF ELECTION RECORDS

Before Election: The sealed ballots, signed voter envelopes, Voter List, proxies if any, and Candidate Registration List shall at all times remain in the custody of the inspector(s) or at a location designated by the inspector(s) until after the tabulation of the vote.

After Election: The following Association records shall also be retained by the inspector after the election/tabulation until the time allowed by *Civil Code* Section 5145 for challenging the election has expired, at which time custody will be transferred to the Association: returned/cast ballots, signed voter envelopes, Voter List, proxies if any, and the Candidate Registration List.

Recount/Challenge: If there is a recount or other challenge to the election process, the inspector(s) shall, upon written request, make such records available for inspection and review by a member or member's authorized representative. Signed voter envelopes are subject to inspection but not copying. Any recount shall be conducted in a manner that preserves the confidentiality of the vote.

ACCESS IN CONNECTION WITH ELECTIONS

Access to Association Media: If any candidate or member advocating a point of view is provided access to association media, newsletters, or internet websites during a campaign, for purposes that are reasonably related to that election, equal access shall be provided to all candidates and members advocating a point of view, including those not endorsed by the board, for purposes that are reasonably related to the election. The Association shall not edit or redact any content from these communications, but may include a statement specifying that the candidate or member and not the association, is responsible for that content.

Access to Association Meeting Space: The Association will provide access to the common area meeting space during a campaign to all candidates, including those who are not incumbents, and to all members advocating a point of view, including those not endorsed by the board, for purposes reasonably related to the election. Access shall be provided at no cost to the members and candidates.

Campaign Fund Restrictions: Association funds shall not be used for campaign purposes in connection with any Association board election. Funds of the Association will not be used for campaign purposes in connection with any other Association election except to the extent necessary to comply with duties of the Association imposed by law. Campaign purposes include, but are not limited to, the following: (a) expressly advocating the election or defeat of any candidate that is on the Association's election ballot; and (b) including the photograph or prominently featuring the name of any candidate on a communication from the Association or its board, excepting the ballot and ballot materials, or a communication that is legally required in connection with an election. This restriction does not prevent distribution of campaign materials as otherwise specifically allowed under the equal access provisions of these rules.

MODIFICATION OF RULES

These rules shall be construed in accordance with and are subject to further change pursuant to California law. No changes to these rules shall be made within 90 days of an election.
